Prepared 9/14/22

Valarie - need to create a team spirit as a family; all sit together at games and competitions;

Don Underdonk - softball and baseball doing double header games this spring and maybe we can have the fry wagon at some of these games;

Shane Wallace - need to have booster meetings somewhere that isn't behind locked doors because no one can get into the school;

Stephanie - Echoes in the Valley

- A. Reached out to Artistic Imprints for the signs \$13 each;
- B. Have quite a bit of alumni interested;
- C. 14 bands coming;
- D. Shane's doing the programs and shout-outs;
- E. If you have 15 or 16 bands then need to hire and have a second set of judges;

Trunk-or-Treat (on the Thursday night before Halloween)

- A. Same weekend is the Friday night football game that is Senior Night;
- B. And, Saturday is Echoes so it is a very, very busy weekend.

Props for color guard is not supposed to be built by the parents; it is a staff issue;

Nicole Bordenaro - should have parents use a lump sum donation instead of fundraising.

Next Wednesday - 9/21 - Mountain View Fry Wagon event; which is also a freshman game and the Disney parent meeting.

Valarie - to help with spirit we should give shout-outs to band parents who volunteer.

Move to Adjourn by Nicole
