October 29, 2022

Welcome to Cumberland Valley School District, the Home of the Eagles! 2022 marks the 50th Anniversary of *Echoes in the Valley* and Cumberland Valley is pleased to host the event at our newly renovated Chapman Field, which will be the home of the PIAA State Football and Field Hockey Championships this fall. It is a privilege and an honor to have you as our guests.

Cumberland Valley takes great pride in its music education programs and is honored to be recognized as one of the best communities in the nation for music education by the National Association of Music Merchants Foundation. *Echoes in the Valley* is an outstanding representation of the ways in which music education programs bring students together in a collaborative and creative environment and engage the entire community in a shared experience.

Cumberland Valley, in collaboration with parents, staff, students, and local business and community leaders, recently embarked on a mission to create a "Portrait of an Eagle" which exemplifies the skills and dispositions that contribute to a student's ability to be "choice ready" for college, career, or military service upon graduation. Our Portrait of an Eagle is taking flight this year with a district-wide focus on responsibility. *Echoes in the Valley* brings to mind the ways in which musicianship, and participation in a group activity like marching band, provides opportunity to both develop and demonstrate responsibility as well as several other of the core competencies we have identified in our Portrait such as: Adaptability, Confidence, and Communication. These are necessary skills for all students, and we are proud to be able to provide a venue for showcasing these skills today.

As you enjoy the impressive performances today, please take a moment to appreciate the importance of music and all things that bring us together.

Sincerely,

David E. Christopher, Ed.D

GENERAL INFO

Cavalcade of Bands is a non profit organization composed of over one hundred member schools coming together to compete on the interscholastic level. Our motto is “Education Through Musical Involvement”. Operating under an executive committee who is elected by the total membership for a two year term, this board, comprised of both band directors and other professionals, is fully vested in the total administrative and policy making procedures. It is our firm belief that controlled competition can be a positive educational tool wherein the process of music education can greatly enhance general education and life skills.

We provide competitive opportunities with marching band competitions in the fall and non competitive jazz band activities throughout the winter and spring. Membership in the Cavalcade of Bands is open to any elementary, middle or high school wishing to compete and/or participate along with any college or university wishing to participate in exhibition or supportive roles.

GUIDELINES FOR SPECTATOR ETIQUETTE

Every student who performs before you this evening has spent countless hours, days and months perfecting their show presentations. Each has worked very hard preparing their show concepts and will now present the results of their hard work to you their audience. It is your responsibility, as a spectator, to give as much attention to each and every school acknowledging the efforts of all these student performers.

They all have given an enormous amount of their time and energies working hard and striving for expense. While they all have different goals and expectations, and will achieve to varying degrees, every student is deserving of positive response and recognition. The job of a spectator is to cheer wildly and enthusiastically, for each and every performance, no matter the size, division or presentation style of their show.

As with any performance or concern, it is improper to enter or leave your seat in the middle of someone’s performance. Please wait until the performance is completed, using common courtesy, before leaving the stands. In addition, the time to talk and make any comments is in between performances and certainly not while a band is performing.

Please applaud for ALL performing bands, and not just your own school, which will create an atmosphere of positive sportsmanship. Please do not use any air horns, cow bells or any other noise making device which would interfere with the band performance. While judges are not affected by spectator applause, they could be impacted with any noise interference during a performance.

Now sit back, enjoy some wonderful student performances throughout the entire evening. While there, please support the host school financially by buying a program, some food and supporting the advertisers and sponsors long after the contest. By attending a Cavalcade sponsored contest you are not only supporting local high school students, but also music education.

Working in may areas of photography, I specialize in Weddings, Senior Portraits, Families & Children. JBHS Marching Band 2022

Entering the field is the 2022 edition of the JBHS Rocket Marching Band. The band is under the direction of Sheryl Deike with percussion instructor and drill writer, Michael Seville, Front Ensemble instructor, Emily Keefer, battery tech, Mason Younker and guard instructor, show design and band choreography, Rachel Seville.

The title of the band's 2022 Field Show is "Another Brick in the Wall." Familiar musical phrases from the English rock band, Pink Floyd will be heard throughout the show. The show also features music by Dmitri Shostakovic (duh-mee•tree shaa-stuh-kow-vuhch) , Ballet Suite No. 4. This show brings to life parallels from history to current events. Refusing to be put into a societal mold and learning lessons from our past, the performers in this show demand their individual and unique voices be heard as they become the world leaders of the future. We must break down those walls, not continue to build them.

We will not be "Another Brick In The Wall".

Featured soloists are Olivia Hart on mellophone, Roselyn Shetler on trombone, Ezra Poe on trumpet and Connor Slemp on sax.

Guard Captains are Skylar Dean and Megan Ramsey. Percussion leaders are Jeffrey Iverson and Hannah Hicks. Band president is Emma Bren and Vice President is Hannah Hicks. Wyatt Boyer is the JBHS drum major.

The band would like to thank the Tuscarora School Board and Superintendent Rodney Benedick as well as the JBHS Music Boosters for their continued support, generosity and encouragement.

Ladies and gentlemen, please enjoy our show, and in the infamous words of President Ronald Reagan, "TEAR DOWN THIS WALL."

SHIKELLAMY MARCHING BRAVES
Present
"SNOWSCAPES!"

Our journey begins with a few snowflakes. They might not seem like much but they are enough to frolic in enjoyment through Randall Standridge's "Angelic Celebrations."

Before you know it, the frozen legion has joined the party and blanketed the ground. In the moonlight, the family of flakes take on more hues that provide a beautiful landscape during Brian Balmages' "Rain"

As the clouds roll in, we experience the awesome power of a fierce blizzard in Robert W. Smith's "Into The Storm." For a moment the sun fights to peek through but the flakes of furry provide one more swing before the storm passes and the sun regains its place in the sky.

The 2022 Shikellamy Marching Braves Staff consists of:

Scott M. Carey – Director, Music Arranger and Drill Designer
Amanda Lebo – Assistant Marching Band Director
Brian Bacon – Color Guard and Visual Coordinator
Ashley Fister, Pit Percussion Instructor
Tyler Kerstetter – Music and Visual Instructor
Amy Rhinard – Woodwind Instructor
Katie Wells – Percussion Instructor

We would like to thank the administration of the Shikellamy School District for their continued support and especially the Shikellamy Band Association for all of their time, effort and creativity in keeping the music alive for our kids! We could not do it without you! We hope you enjoy this evening's performance.

Soloists for Haunted Symphony include Kai Lesman on baritone and Matthew Franzen on clarinet. Danielle Rubendall and Renae Greak are guard and dance soloists.

The band is led on the field by drum major, Dez Morris.

2022 Susquehanna Township Show

Our show this year is titled *The Firebird*, written by Igor Stravinsky, Arranged by Key Pulon, and featuring drill written by Tim Newlin.

Based on a Russian legend, the Firebird tells the story of Prince Ivan Tsarevich. While the prince was hunting in the forest, he strays into the magical realm of Koschei The Immortal. Ivan chased and captured the fabled Firebird. The bird begs for her life, and the prince decides to spare her. The bird offers the prince one of her enchanted feathers, which can be used to summon her should the prince ever be in dire need. The prince later meets 13 princesses who are under the spell of the evil Koschei. The prince falls in love with one, and attempts to rescue her. Koschei and the Prince start fighting, and the prince summons the firebird. The bird enchants Koschei and his minions, causing them to dance an elaborate energetic dance until they collapse from exhaustion. The prince saves all the princesses and minions under Koschei's command, and they celebrate the victory.
