AGENDA

Last Meeting Follow-up

1. Kipona and Mattress sale thank you's to all helpers and contributors
2. Trip coming up in December. There will be an announcement as time draws nearer regarding parent and student meeting for this trip
3. Echoes in the Valley is coming up. Attendance this year is low again, with only 3 bands registered
4. Discussion regarding the constant conflict with Echoes and Mechanicsburg's Chapters event. We have seen a rapid drop in attendance because of the two shows occurring simultaneously. We are in Cavalcade, Mechanicsburg is in TOB; if the two shows did not coincide, and there were not multiple shows scheduled for the same day within our Cavalcade group, our attendance would be higher
5. Help is needed for Echoes. There are many positions to fill
 - a. Prop help
 - b. Pit crew
 - c. Button person
 - d. Fry wagon
 - e. Bake sale
 - f. Tickets and programs
 - g. Rope holders
 - h. Trophy presentation (students)
 - i. Gate coordinator
 - j. Judges runners supervision
 - k. JROTC will assist with set up

- Alumni coordinator needed. We have not been approved to solicit alumni, but we are building a list
- Chandra suggested that Alumni be offered the opportunity to play in the stands with the band
- Jen notified everyone in attendance that Guard photos will be taken after uniforms arrive. Jen will coordinate this effort with Josh
