

## C.V.B.B. General Meeting – February 8, 2010

The meeting was called to order at 7:05 pm by Phil McCormick; there were approximately 19 people in attendance.

A motion was made, seconded and approved to accept the January minutes with the following change: The DVD Lindy Mack is putting together is for the 2009 Marching Band season not the 2010 Marching Band season.

The Executive Board voted to purchase a 6' x 12' trailer which will cost us approximately \$1600.00 with Anne French's donation. Phil will complete the purchase and pick up the trailer tomorrow weather pending.

Chapters will be at Northern High School this year. We need to get in touch with TOB about hosting Chapter Championships next year (2011).

We still need a fundraising coordinator; Phil is going to put out a request for a volunteer. Please ask around to help us find someone. We really need one this year given that it is a band trip year.

The band banquet was a success; everyone had a good time. We received many compliments from the Penn Harris staff regarding the student's good behavior.

Still no dates/location for the band trip since there are not any dates posted for the bowl games. Once the dates are known, we just need the band director's approval of the location and then we can announce the trip.

**Treasurer's Report:** Currently at \$5800.00 loss because we are starting to pay indoor contracts. Cost for indoor guard staff contracts is \$10,250.00. Hopefully the indoor show will help offset the loss. Trivia question – How many unique pages are there on the new web site? Answer: Currently at 27. Gerry is interested in feedback on the new web page. Motion made and carried to accept the Treasurer's report.

### **Committee Reports:**

Gary Calaman: Echoes in the Dome is 3 weeks away and we still need volunteers. We could use some band kids for some of the jobs. Phil will send a note to Mr. Ainscough to ask for student volunteers. The senior guard likes their instructors and the instructors are happy. Guard/Percussion did well in their first competition.

Lisa Kishbaugh has grocery cards for sale.

Teresa Eckard is going to send one more email this week about sewing; we will be sewing at Mt. Zion church from 10 – 2 on Saturday, Feb 13<sup>th</sup>. Goal is to have all of the flags done by the Feb 20<sup>th</sup>. Senior Guard uniforms are not done yet. The contract said that we would have them on Jan 28<sup>th</sup> and they are not finished yet. She did deliver them on the 28<sup>th</sup> but they are not done yet; the hem is not done; they are not sized nor fitted yet. Teresa was tasked to find out the status and follow-up with Phil.

Nancy McDaniel needs someone to shadow her for the fry wagon this season since this will be her last. The first event is scheduled the end of April if we do Harley Davidson event again this year. The school fairs start in May.

Meeting adjourned at 7:42.

Respectfully submitted,  
Betsy Harmon, Recording Secretary
