**Dave Porter, Director's Report**

Parade went well, it was hot, but we were well received. Lots of faculty that he'd never met sent him positive emails about our performance, including one from Ms. Baumgardener. Only one heat related issue, but the parent was a chaperone. a

Next performance is at the Rumble in the Valley. He'd like to have a performance to benefit the band, but so far I have 8 horns and 2 drum sets. We will have a rehearsal 10:30 to noon on Saturday. If not enough response by Friday, he will have to cancel it. All stand tunes.

Mini band camp starts Monday. Guard has during the day camps at Good Hope.

Show music, music writer had a difficult semester, and has had some difficulty getting us music. Some should be here by the end of the week, and the rest later. We are going to have quite a few more staff members and it's not going to break the bank. The total price should be about the same. People are coming to Dave wanting to help with the band. There's more interest in assisting us from the professional field since we are more successful as a band.

Dave would like to have an "everybody" meeting, new and old parents. The idea is to have everybody on the same page in terms of expectations. This includes, parents, students, and staff. He hopes that this will eliminate some of the emails. He's aiming for a Thursday that everybody will be at the high school for practice.

Second Car Wash- Dave wishes not to have it in July, and Dave prefers August 15 or 22<sup>nd</sup>. Dave will check with Josh since Guard will have to give up a practice.

Need for volunteers:

Wendy will help Donna with potlucks.

Fundraiser ideas:

Donna suggesting selling sunglasses before band camp as a fundraiser. Have order forms ready for parent preview.

Spirit wear cups?

Show shirts, if we can have them for parent preview. Lets get this done a lot earlier.

Motion to adjourn at 7:07.
